- Consultant, trainer, author, software architect and developer for over 25 years
- Contact: oliver@oliversturm.com

AGENDA

- The React Success Story
- Starting with the Basics
- Trend and Future: Functional React
- Tooling

THE REACT SUCCESS STORY

LICENSE TROUBLE?

- React licensing used to be "BSD + Patents"
- Never mind what that means, it's now standard MIT

DEMO

Tooling

- JSX: Well supported by Babel, TypeScript and elsewhere (Markdown - check MDX!)
- Debugging: React Developer Tools
